CLERK: Mr. President, Senator Warner moves to return LR 875 to Select File for specific amendment.

SPEAKER LUEDTKE: The Chair recognizes Senator Warner.

All it does is it amends the existing statute that affects the Department of Administrative Services and puts the proper security on those. CLERK: 50-420, Senator.

SENATOR WARNER: Okay, thank you, that is the section that under the laws affecting the Legislative Council that we are authorized to ask for information from various agencies and they are required to provide it. So this is to clarify so it is without question that as we or the Legislature requests information that it can be given to the Legislature and for sure will not be in violation of that provisions already contained in that section.
